

Literacy

Read Write Inc will be our daily phonics sessions where the children learn new sounds and words each day.

Our focus stories will be:

- The Lighthouse Keeper's Lunch
- How the tortoise got its shell

RE and PSHE

In R.E we will be learning about the Judaism and celebrating many religions.

In PSHE we will be learning about 'growing and changing' and 'being my best'.

Design and Technology (DT)

We will be designing and making lighthouses to link to our literacy focus story. We will also design and make healthy sandwiches.

Computing

The children will be learning about the basic concepts of programming, relating this to real life and technology.

We will be using the chromebooks and ipads to move the cursor (mouse), open up programmes and complete tasks.

Year 1 Summer Term 2024

Could you live in a lighthouse?

Geography

Geography will include looking at the seaside especially and using geographical vocabulary to describe what we can see. We will be looking at maps to locate the UK and continents of the World.

Science

We will be learning all about plants, what they need to survive and how they grow including some of the parts of a plant.

We will then move on to learning about animals including humans focusing on parts of the human body and grouping animals (for example mammals, reptiles, fish).

Expressive Art and Design

This term we will be studying the work of David Hosking who is a famous local artist. We will be looking at drawing and painting, focusing on line and colour.

History

We will be learning about three very famous Cornish women including Dolly Pentreath. We will learn why they are famous and about some of the history of Cornwall and the seaside.

We will also learn about Grace Darling and her life and work.

Maths

This term in maths we will be covering:

- Length and height
- Time
- Money
- Multiplication and Division

Handwriting and Spelling

Children will continue to receive spellings. They will be using Letterjoin to practice letter formation and handwriting daily.

Music

In Music we will be exploring ways of using our voices expressively. We will also develop a sense of steady beat through movement, body percussion and instruments.
